LR 304, 305

CLERK: Mr. President, LR 304 is a resolution introduced by Senator Abboud. It is found on page 1205 of the Journal. (Read explanation of LR 304.)

SPEAKER BARRETT: (Gavel.) Senator Abboud, please.

SENATOR ABOUD: Yes, Mr. President, colleagues, this resolution is brought to you as a result of a group of individuals. You probably know them as a large group of Nebraskans that are always at the parades throughout the state. Last year I carried this resolution as well. A constituent of mine is involved in the organization and they are always at the parades with their Model As and Model Ts and other historical cars that they have spent their time and money preserving. They are an outstanding group of individuals, very civic-minded, that's only real purpose is to show what the automobiles were at one time and try to preserve them. June is, June 11 through the 19th is to be designated the Nebraska Historical and Special Interest Automobile Recognition Week. This provides...they'll come down to the Capitol, drive their cars around the Capitol in honor of this particular week. I feel it is a fine organization and I urge the adoption of the resolution.

SPEAKER BARRETT: Thank you. Any discussion? Seeing none, those in favor of the adoption of the resolution offered by Senator Abboud please vote aye, opposed nay. Record.

CLERK: 23 ayes, 0 nays, Mr. President, on adoption of LR 304.

SPEAKER BARRETT: LR 304 is adopted. LR 305, Mr. Clerk.

CLERK: Mr. President, 305, a resolution offered by Senators Marsh and Smith, found on page 1206 of the Journal. (Read explanation of LR 305.)

SPEAKER BARRETT: Senator Marsh, will you be handling the resolution?

SENATOR MARSH: Thank you very much, Mr. Speaker and members of the Legislature. LR 305 acknowledges a very special person from Hastings, acknowledges a very intense safety-minded person.
